CASE/LEAP DISCLOSURE REVIEW MEETING

Present were Ken Houghton, Cliff Lilly, Jerry Whidby, Jim Schardt, and Chris Hardin

D1109 - Review existing heater cases to see if this is already covered.

D1122 - Involves pressing shreds of tobacco together. Is it then tobacco or recon.? Does it meet DE law for tobacco? Do an in-house search (check cigar wrappers also). Send to BD for additional searching if necessary.

D1123 - Check to see if it has successfully been reduced to practice. If so, proceed with patenting.

D1108 - Design - hold until decision reached on appearance of final product.

PM1702 (D975) - Inactivate
